

LUXURY COSTA RICA FISHING RESORT, SPA & ECO TOURS

There are a few (actually very few) destination in the world that are consistently considered to be among the premiere TOP 10 salt water fishing destinations in the world. This particular Lodge and its location is one of that very elite and select group! Costa Rica has been renowned for many years for its incredible bill fishing- with anglers often sighting dozens of billfish daily, and hooking a dozen or more fish to boot! The storied days will force a strong man to his knees with fighting 8, 10, or 12 huge fish! Not every day is like that of course, but neither is it uncommon. Now knowing that, please also realize that besides huge numbers of big billfish, they also have a huge variety of species to tackle. Sailfish abound; but so too do blue marlin; black marlin; striped marlin; dorado; yellowfin tuna to 200 or 300 pounds; the high jumping wahoo; the powerful and exotic rooster fish -to 50 pounds and more; giant cubera snapper; and a host of things like barracuda, shark, snook, mackeral- the list is long indeed! Add on a 4 to 5 star resort with all the amenities, add on incredible eco-tours, a 5000 square foot spa;

and facilities to handle a large corporate group of up to 80 persons, for those of our clients who wish to combine business with pleasure, or wish to award incentives to favorite employees- and oh boy- will this boost morale!!

For non-fishers - Explore hidden waterfalls in the canopied rainforests or the vastness of the tropical Pacific. Enjoy special tours to romantic sheltered coves that can only be reached by boat. Observe a startling array of rainforest creatures, including 400 species of amphibians and reptiles, 878 species of birds, and 228 species of mammals. Their fleet of 40 boats (Boston Whaler Outrages and Strike Boats), docked at their 880 foot private pier, gives access to fishing, to remote snorkeling and surfing spots, botanical gardens, wildlife refuge, as well as general sight-seeing explorations of these pristine waters. The Spa is equipped with a full-sized kitchen that can accommodate large parties and receptions. The menu of treatments at the Spa is comparable to the best spa resorts in the world! The dining room and bar, game room, gift shop, spa, pool and conference center are within a short walk of each other. Each of the 43 air-conditioned guest rooms has two comfortable queen-sized beds and a deck that overlooks the surrounding gardens. The dining room serves local and international favorites including fresh-caught yellow fin tuna, mahi-mahi and Costa Rican beef. The bar is open all day and the pool features a swim-up bar and elevated hot tub. If you want to high line through

the rain forest, take beach tours on horses or do any of many activities-- it can be arranged! Ask us for details if those are your interests! We can arrange it for you!
