

WYOMING ANTELOPE, COW ELK AND BLACK BEAR BARGAINS FOR 2010!

FINAL REMINDER!!! One of our favorite Wyoming outfitters has just acquired rights to 45,000 acres near Douglas, Wyoming “the antelope capitol of the world”!!! Due to the late date of getting this property, he is only charging **\$1100 per hunter!** These will be two day hunts (3 nights) and the price includes guiding, meals and lodging. Outfitter is also “throwing in”, at no extra charge, one doe antelope as long as you have the required license.

One you commit to this hunt you can go on-line and buy your buck and doe antelope license July 20th. Hunt dates currently available are: Oct 23-24, 25-26 and 27-28. You can either drive all the way, on interstates, to Douglas, or fly to Denver, rent vehicle and drive approx 4 hours north on I-25. **Don't wait too long on this one as there are only five hunts**

remaining!!!

New release!!! Same Wyoming outfitter!!!! Reduced priced two day guided **cow elk hunts in western Wyoming at \$900 per hunter!!!** Price includes lodging and meals! Pick your dates between Nov 1 and 24. As a bonus, outfitter will give you the option to up-grade this to a 5 day mountain lion hunt if you “cut a fresh lion track” during the cow elk hunt, for an additional \$3100 (lion hunts are normally \$4000 so with this option, you end up with the cow elk hunt for free!) Cow elk licenses can be purchased on-line, at \$288.

Last Minute Fall Black Bear Cancellation! Same great Wyoming outfitter, but just across the border in Idaho. This is a 5 day guided hunt for big bears with an **exceptionally high percentage of color phase!** Hunt behind a pack of baying hounds in the

morning, over bait in the evening. Hunting behind hound is a high exertion hunt, no getting around it, but this hunt terrain is not vertical, but still is no cakewalk! Original price on this hunt was \$2500, but deposits were forfeited, so we can now offer at \$1995 per hunter. Can easily accommodate one or two hunters! Hunt dates are: Sep 11 - 15. License available otc, upon arrival!
